marie claire LOVES EMERALD VALLEY VILLA

Looking for a luxury eco escape? Set in 30 hectares of private rainforest, Byron Bay's Emerald Valley Villa combines five-star facilities – such as its own waterfall, concierge, spa and swimming pool – with compelling environmental credentials. Not only is the entire estate run on 100 per cent green power, but many of the building materials are recycled. Visit www.emeraldvalleyvilla.com for more details.

MATERIAL NEEDS

Melbourne label Mesop launches its first collection of organic basics this month. Its Naturals range includes sexy tanks, delicate dresses and floaty tunics, all in organic cotton jersey. And with plans to branch out into organic wool pieces and vegetable dyes, Mesop's sustainable star is definitely on the rise. Visit www.mesop.com.au.
